"Treasured Memories" Travel Pin for 2011-2012

The 2011-2012 Grand Chapter travel pin is a Treasure Chest with five stars in Star Point colors as dangles; it symbolizes this year's theme. For each qualifying event (listed below) you will receive one point. When you earn five points, you will receive a treasure chest. For each additional five points earned, you will receive one of the star dangles in the following order: blue, yellow, white, green, and red. You may earn more than one point if qualifying events are combined. You must attend an official event designated by the Worthy Grand Matron to receive either your treasure chest or stars. All qualifying events, except for the Homecomings, may be done either in-state or out-of-state. You may not earn more than one completed pin. There are two hundred pins available; first-come, first-served.
