

"Christmas in the Country" Travel Pin Idaho Grand Chapter 2010 - 2011

This year's travel pin is a Christmas tree, with five gift packages in Star Point colors as dangles. We are very pleased with the design, and hope that you will enjoy wearing it this year in Idaho Eastern Star, and in the future during the Christmas season. For each qualifying event (listed below) you will receive a point. When you have earned 5 points, you will receive the tree. For each additional 5 points earned, you will receive one of the gift package dangles in the following order: Blue, Yellow, White, Green, and Red. You must attend an official event (as designated by the Worthy Grand Matron), to receive your tree or dangles. You may not earn

more than one completed pin, although you will earn our gratitude for your enthusiastic participation! We have 150 pins total, so first-come, first-served.

In response to some of your feedback, we have added some events for qualifying points:

1. One point for every Official Visit.
2. One point for every Friendship Night.
3. One point for Exchanges (either in-state or out-of-state).
4. One point for every Installation.
5. One point for WGM & WGP Homecoming (they are together this year).
6. One point for the All Membership Picnic on July 18th.
7. One point for out-of-state Grand Chapters (Installation for the out-of-state Grand Chapter is not an additional point).
8. One point for supporting the WGM & WGP at Grand Sessions: Amaranth, Grand Lodge, Job's Daughters Grand Session, DeMolay Conclave, Rainbow Assembly, etc.
9. One point for each Youth meeting attended (Installation and regular meetings - does not include social events).
10. One point for participating in an Eastern Star or Masonic funeral on the ritual team.

You will not receive points for attending your own Chapter. The purpose of the program is to get more members out to visit and enjoy our wonderful fellowship.

If you have questions about points and qualification, please contact the Worthy Grand Matron .
