June, 2007

Well, time is almost here for Grand chapter and then I will be a has been!! Hoorah!! It has been a wonderful experience and I would not have missed a single minute, but I am glad that I will be getting back to a somewhat normal lifestyle. These past four years have gone so fast. The members of this organization are the best in the whole wide wonderful world. And of course, my Grand Family is the "Best Grand Family in the Whole Wide World." We have had a good time together, they have helped me so much this past year and I will always keep them close in my heart. I have enjoyed getting to know more of the members in our Chapters these past several years. I have had a terrific time appointing our newest Grand Representatives. They are a fantastic group of interesting members and I hope they get as much out of their appointments as is humanly possible. wish all of the incoming Grand Family the best wishes to have a safe and fun year!!

And always remember:

"A TRUE FRIEND IS SOMEONE WHO REACHES FOR YOUR HAND
AND TOUCHES YOUR HEART."
