Fun March Facts

- In ancient Rome, March was called *Martius*, so named after Mars, the Roman god of war.
- The numbered year began on March 1 in Russia until the end of the 15th century.
- Great Britain and her colonies continued to use March 25 until 1752, the same year they finally adopted the Gregorian calendar.

A NOTE FROM OUR GRAND MARTHA

Dear Sisters & Brothers:

I am very happy to have represented Valeria Chapter #76 this year as the Grand Martha of Idaho. I was very humbled and surprised when WGM Carol asked me to accept the appointment. I hope that they are all proud of my activities throughout the year.

I want to say thank you to my Grand Escort Dave. My husband, who has encouraged me and done everything possible to get me to many Official visits and several out of State Conventions as well. We are having a great time traveling and meeting so many wonderful "Star" sisters and brothers.

This is the perfect time to say a huge thank you to WGM Carol and WGP Marvin for including me in "**The Best Grand Family In The Whole Wide World**"!

Star love and hugs
Harriet Parker, Grand Martha
