SOME NEWS FROM OUR GRAND MARSHAL AND IDAHO #49

In December, our chapter voted to donate gloves to the local head start school. I delivered 20 pair of gloves or mittens to the students. The children were so excited to get a pair of gloves all there own. This was a good winter to get them since we still have snow daily.

At Christmas we also deliver fresh carnations in a vase to all our shut ins. They were glad to see me and especially the flowers, a little sunshine in the middle of winter.

In March for our birthday, we all brought either money or non perishable food for our local food bank. We thought it would be a good gift for someone else.

Our chapter has been real busy this year with our "camping theme". We had our friendship night, in February Which was our flannel shirt night. We had 35 in attendance.

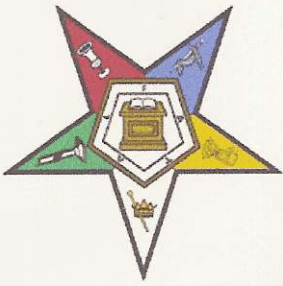

Star Love,
Candy and Lonny
