Circular Letter No. I

Dear Sisters and Brothers,

WOW! What a wonderful start to this year you have given to us. Six Official Visits have been completed, and we appreciate the courtesies extended, the welcomes and the friendship. The Grand Family has attended four other Grand Chapters, Job's Daughters Grand Session and Rainbow Grand Assembly. The picnic in Boise hosted by Mizpah#6 and Ruth#3 was a huge success especially the wonderful music of Grand Organist Wiley and sons. As we continue truckin' for OES, we look forward to meeting with the rest of the chapter members.

We extend a special thank you to all who have accepted committee appointments. The work of Grand Chapter depends on your completing these tasks in a timely manner. If you are not sure what to do after reading the instructions in the letter or in the Code and Digest, call your committee chairman or email me.

A reminder to each Worthy Matron: Appoint a membership person to set up the mentor program. Active members, please take the responsibility of contacting your assigned sister or brother each month. Share your experiences with the chapter if appropriate. Also, appoint a chapter member to help with the special project: Southern Idaho Learning Center. This involves selling pins, helping with the raffle at the Official Visit and reporting to the District Chairman.

Remember the ARK (Act of Random Kindness) each day. Be a kind as you can to everyone. You don't always know what problems another may be dealing with, and the little kindness you do could change a life. It could even change many lives as the kindness is spread.

Don't forget to review in chapter the irregularities, questions and answers, and changes to the Code and Digest (Art II, Sec 9, P38), and put in the minutes when the Worthy Grand Matron has been notified.

We will be recycling tote bags at Grand Chapter next year. If you have any you wish to donate, please give them to any Grand Officer or other visitor from SE Idaho to take to Marilyn Taylor (85).

The Country Store will again be in business as well as the Cinderella Shop. Ann Fairbanks (29) or PGP Le Roy Austin (35) will be collecting and storing those items.

Following is a personal note from Brother Jim:

Sisters and Brothers of our great Order, I can't begin to tell you how I feel about the honor you have bestowed upon me by allowing me to serve you in the Grand East as Worthy Grand Patron. WGM Hazel and I have had a most wonderful beginning to our year since our installation in June. We've already traveled many miles representing our State, as have many of the Grand Officers, and are well on our way visiting the chapters within the state. We are looking forward to visiting all of you in the coming months as we continue on this marvelous journey. Remember to **Dream, Believe and Achieve**. My best wishes and Star love to all.

Star dreams and love,

Hazel Sutton

YOUR LIFE HOLDS UNLIMITED POTENTIAL. You have the ability to attain whatever you seek. Within you is every potential you can imagine. Always aim higher than you believe you can reach. If people offer their help or wisdom as you go through life, accept it gratefully. Never be afraid to step off the accepted path and go in your own direction if your heart tells you to. Believe you will succeed at whatever you do and never forget the value of persistence, discipline, and determination. You are meant to be whatever you dream of becoming. – Edmund O'Neill
