“For I Have Seen His Star in the East and Have Come to Worship Him”

Merry Christmas to all of our Sisters and Brothers,

May you have the Merriest of Christmases and the Happiest of New Years as 2011 winds down and 2012 makes it self known.

It is hard to believe that our year is half over and we have done half of our Official Visits. We would like to thank all the members who have so graciously put us up in their homes. It has been appreciated and we have enjoyed getting to know all of you better. Our OV's have been well attended and everyone seems to be having a good time when they come. Maybe they just want the travel pin.

Sister Secretaries, the Blue Lodge secretaries in your areas may be calling about the wives of their lost Brothers. If they call you, please try to help them. Some of the older Brothers are passing on and the Lodge Secretaries do not know where they are, or if they have any living relatives or if they are in nursing homes or assisted living. If you know of any Brother who might fall into this category you might let your local Blue Lodge know.

Update on our Sister Adah, Brenda Windous and her husband, Jerry: Jerry has completed his treatments and will be going back for another cat scan in the next few weeks. Sister Brenda and Jerry want to thank all the members for their calls, cards and all the prayers. All are greatly appreciated, and the prayers are working!!! Please, let's keep them going.

For all of those who attended the Idaho/Montana Exchange in Mullan, you receive two points for attending. If you were at Mullan, you are entitled to receive two visitation points toward your travel pin.

We hope to see all of you again very soon along the “Treasured Memories” road.

Star Love to you all,
