

Merry Christmas!

Dear Sisters and Brothers,

The Journey of life is with
many twists and turns.

But with faith and courage, no obstacle can
stop you from reaching your goals.

Keep faith, peace and kindness
in your heart, and you shall always shine!

We have been counting our blessings as this
Holiday Season approaches! You, our Sisters
and Brothers, have blessed us far more than
you can realize! Every smile and hug and
encouraging word has touched our hearts!
Every giggle and laugh has added sunshine
to our days!

Our wishes for each of you are faith, peace,
loving kindness, and some laughter this
Holiday Season and in the New Year!

Star Wishes,

Joan and Mel
