NOTICE REGARDING LEGISLATION

There are 32 pieces of legislation that will be presented at Grand Chapter in June. You **MUST** print your own copies to bring to Grand Chapter. Please read through all of the legislation in advance and make yourself familiar with it. In order to get through all of the legislation in a timely fashion, the jurisprudence committee will not be reading each piece before presenting it to the body for discussion and vote. Thank you.

Annual Report of the Worthy Grand Matron 2025–2026

To the Worthy Grand Patron, Grand Officers, and Members of the Grand Chapter of Idaho, Order of the Eastern Star:

The past four years have been an amazing journey of love, friendship, laughter, and learning. This year, however, has brought its share of challenges. I had hoped to break the “line officer curse” and avoid any health issues during my time in the line—yet I also would never wish that burden upon others.

On the morning of installation at the 2025 Grand Chapter, I learned that my mother had been diagnosed with an aggressive form of mouth cancer. She chose palliative care, and I am happy to report that she is now in remission. As I now conclude my year as Worthy Grand Matron, my husband is recovering from two heart attacks. I suppose God believes I am strong enough to handle much—and with faith, love, and support, I have.

Welcome

It is my honor and pleasure to welcome you to our river adventure—*Rivers of Love*.

As with any wilderness journey, there is much preparation. It seems like you have plenty of time, but suddenly the day arrives, the journey begins, and before long you are navigating rapids and portaging around the most dangerous passages.

It took teamwork to safely run the rapids, and teamwork to carry the rafts and gear around hazards. This has never been a one-person journey.

Now we arrive at the 123rd Annual *Rivers of Love* Grand Chapter Session—our final days on the river. It is time to welcome our newest members and honored visitors to the best part of the journey: gathering around the campfire, sharing stories, laughter, and love.

Dedication

Our *Rivers of Love* Session is dedicated to all our members—especially those who have, at times, struggled to love themselves.

Please remember: I love you. You matter. The world is a better place because you are in it.

I believe in you—now it is time for you to believe in yourself. Go forward into this world and shine brightly.

Bible and Gavel

I have been deeply honored that Lake Mendocino #58 allowed me to travel with the Bible from the altar of Augusta Chapter #80 in Covelo, California—my grandparents’ chapter. The Bible marker was given to me by Meridian Chapter #66. Thank you to Meridian and Lake Mendocino Chapters.

The head of my gavel and the sound block were made from oak taken from my family’s homestead in Covelo by Don Miller, PGP of Idaho. The handle was crafted from oak from Weiser, Idaho. Thank you, Don.

I have also traveled with a Marshal's baton made by Past Master Councilor Ron Wall of Arctic Chapter, DeMolay, Fairbanks, Alaska. I was his Chapter Sweetheart during his term, and Ron felt I needed something from Alaska, where my Masonic journey began. Thank you, Ron.

In Celebration

Do not stand at my grave and weep
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there. I did not die.

-Mary Elizabeth Frye

Let us celebrate the lives that have blessed us with their friendship and love. This year, our dear PGM Nancy Ross returned to her Creator. Let us hold Nancy and her family in our prayers, remembering the joy she brought and the kindness she shared so freely. Our hearts also go out to the subordinate chapters that have lost family members and chapter members this past year. May you find comfort in celebrating their love, cherishing the memories they left behind, and holding close the light that still lives within your hearts.

Official Property

I received the following property from Junior Past Grand Matron Diedre Votaw at Installation:

- April 19, 2026: Received notice of merger resolution from Henrietta #21

Waiver of Jurisdiction

Approved a request from Becky Anderson, Secretary of Zillah Chapter #11 on January 11, 2026, for a Sandpoint resident to petition Zillah Chapter #11.

Other Actions

This was a difficult but necessary decision. After careful consideration and research, I requested that a member not bring their dog to Eastern Star functions due to safety concerns. The decision followed ADA guidelines and was witnessed by the Associate Grand Patron.

Official Visits

What an honor and a true joy it has been to travel the state of Idaho, spending time with my OES Sisters and Brothers. Thank you to each chapter and every member for your love, your support, and the hard work you continuously give to this organization.

I chose to postpone Hermosa Chapter's official visit due to safety concerns. An anti-ICE rally was being held a short distance from the lodge building, and there were already concerns about limited parking due to a large event at Indian Creek. With the added uncertainty surrounding the rally and the presence of opposing groups, I felt it was best to prioritize the safety of our members, particularly those who would need to walk to and from their vehicles. WGP Dave and I were later able to visit the chapter at their February stated meeting.

I would also like to offer a sincere apology—I am not the best at sending thank-you cards. However, I truly hope that once I have a little quiet time this summer, I will be able to sit down, write them, and get them to you.

Honorary Memberships

Thank you. Words cannot fully express the overwhelming feelings I have when I reflect on the Honorary Memberships I have received.

Meridian Chapter, thank you for the Life Membership you presented to me. What began as a chance to find family when I first visited led me to join—but it is the family I have gained among the members of this chapter that truly fills my heart with warmth.

Irregularities/ Growth Opportunities

Let us start with what I loved.

One of our chapters has chosen to dedicate time during Good of the Order to learning more about our Order. Whether reviewing instructions and diagrams of the prayer circle and practicing them, or

spending time learning about the history of our Order or their chapter, this commitment to learning is inspiring.

Members are asking questions—and, just as importantly, other members are encouraging them. That spirit of support strengthens us all.

I was especially pleased to see new members with their Idaho Code and Digest in hand. Thank you to the members who ensure that our new members have the tools they need to learn, grow, and feel comfortable taking an active role in our organization.

Did I see Worthy Patrons forget to ask non-members to retire? Yes—but they are human, and when we are nervous we make mistakes.

Did I see members give the attitude of prayer when they should have given the Salutation Sign? Yes—but I also saw some of those members quickly correct themselves. That tells me our chapters are practicing and striving to improve.

Did I notice that chapters are not always talking about or actively fundraising for our various funds? Yes. I also noticed that many chapters continue to donate because it is required in their bylaws or standing rules. However, newer members may not understand the purpose behind these funds—they only know that it is a requirement.

Please take time, especially during each Fund Month, to educate members about these important causes so they understand the “why” behind the giving.

Do I need to list every single item that was done incorrectly? No.

Instead, I encourage every chapter to read and use the instructions found in your Ritual and your Book of Instructions—especially during practices. Please do not rely solely on memory. Instructions can change, and sometimes what is remembered may actually be a mistake passed down over time.

Study regularly. Read your part multiple times. Confirm correct pronunciation. If you do not understand a word, look up its meaning. Understanding the words you speak makes them much easier to learn and remember.

Questions and Answers

Question: Which way do the Conductress and the Chaplain turn when leaving the labyrinth?

Answer: According to the *Book of Instructions*, Article IV, *Instructions for Officers*:

- Section 7B, page 68, states that the Conductress shall turn southwest (SW).
- Section 8 states that the Chaplain shall turn northwest (NW).

Question: Can a VPLM member demit?

Answer: Yes. However:

- If the member is not joining another Idaho Chapter, the VPLM remains with the original chapter.
- If the member joins another Idaho Chapter, they may transfer their VPLM.
- If the new chapter's dues are higher, the member must pay the difference between the two dues, multiplied by twenty-one, to transfer the VPLM.

Reference: *Rules and Regulations*, Article XVII, Membership, Section 4(I).

(This question arose from a chapter sending demit forms to non-active VPLM members, along with a letter requesting payment of Grand Chapter per capita.)

Question: If a chapter has voted to merge with another chapter, are their accounts frozen, or can they continue to use the funds?

Answer: The Grand Chapter does not freeze the accounts of a chapter during the merger process. The chapter must continue to meet and pay its required obligations until the merger is approved. Examples of required expenses include:

- Rent
- Required contributions to Grand Chapter funds (e.g., Scholarship Fund)

However, chapters should not spend down their accounts unnecessarily, as remaining funds are to be transferred to the receiving chapter upon completion of the merger.

It is also important to note:

- The accepting chapter is responsible for paying per capita for members gained through the merger.
- For example, if Chapter A collects 2026 dues in February and merges in June 2026, Chapter B must pay per capita based on the 2026 year-end membership derived from those dues.

Reference: *Rules and Regulations – Subordinate Chapters*, Article XIX (Mergers).

Note: The only provision addressing improper disposal of property is found in Article XXII (Dissolution of Chapters).

Question: Are emails valid for notification of special votes, such as mergers?

Answer: Yes. Article XIX (Merger of Chapters) requires that the Secretary provide notification but does not specify the method of delivery.

Review of the following sections supports this interpretation:

- Article IX, Duties of Officers, Section 6 (The Secretary), which does not prescribe a specific method of communication
- Article VII, Section 6 (Grand Secretary), which encourages electronic correspondence when possible

Therefore:

- Email notification is acceptable for members with a valid email address on file
- If a member does not have email or if an email is returned undeliverable, a printed notification must be mailed.

Visitations

I hit the road running and had the pleasure of visiting the Grand Chapters of Montana (June 12–14, 2025), Oregon (June 15–17, 2025), and Washington (June 29–July 2, 2025).

On June 19, 2025, WGP Dave and I attended the Idaho Job's Daughters Grand Session. July 11–13, 2025, I traveled to Pasco to attend Rainbow Grand Assembly, where I stayed with our Snake River District girls and adults.

On September 19, 2025, I had the honor of attending Grand Lodge and speaking at their membership dinner.

On January 3, 2026, I attended the Installation of Officers for El Korah Shrine, and on April 17, 2026, I traveled to Burley to attend York Rite Grand Chapter.

Throughout the year, I also attended several Job's Daughters meetings, Rainbow installations and initiations, and two DeMolay installations. I even had the opportunity to travel to Alaska and attend their Rainbow Grand Camp.

I look forward to Memorial Day weekend, when I will travel to Idaho DeMolay Conclave.

Exchanges

On September 20, 2025, we had a wonderful time—well, at least I did—at the Idaho/Montana Exchange. Thank you Stacy and Elaine

On March 7, 2026, Idaho hosted Nevada for a birthday celebration. March 6 was my birthday, and March 7 was Nevada's WGM, Sherry's, birthday. Thank you to Adah #8 for the wonderful official visit and for hosting our visitors. A special thank you to PGM Deb Arnold for arranging the dinner and birthday celebration.

On May 2, 2026, Idaho hosted "Hand Across the Border" with a Masquerade Ball. All I can say is WOW! Julie Greaser and Heather Wells, you truly outdid yourselves, the compliments continue to come in.

Special Occasions

On August 3, 2025, we enjoyed a wonderful All-Membership Picnic at Orah Brandt Park in Nampa, Idaho. Thank you to Will, Nicole, and Rebecca for making all the arrangements.

From February 7–15, 2026, I was on a cruise and had the opportunity to visit the Chapter in Aruba. I had a fantastic time traveling with approximately 130–140 Eastern Star members. The Sisters and Brothers in Aruba did an amazing job—and that lodge room was packed; there was not even room to stand!

On April 4, 2026, Ethel Heaney and Stephanie Clark hosted a fabulous Homecoming for WGP Dave and me. Thank you, Ethel and Stephanie, for such a wonderful event—and thank you to Lucy and Don for keeping us entertained!

Thank You

Where do I begin with the many thanks I wish to give?

- To my family—you have supported me, encouraged me, and reminded me not to sweat the small stuff.
- Thank you, DeeDee and Will, for traveling the state with me and providing so many laughs.
- Meridian #66, Adah #8, and Golden Heart #6—thank you with all my heart.
- To my Worthy Grand Patron, thank you for your support, encouragement, and partnership throughout this journey.
- To every member of Idaho OES—thank you for your dedication and your love of our organization.
- To the Past Grands—thank you for your guidance, your listening ears, and your strength.
- Thank you, Lucy and Karen, for taking on such large responsibilities—I appreciate you more than words can express.
- If I attempted to name everyone who supported me, this report would be many pages longer. So, to each and every Idaho Sister and Brother—thank you.

Star Love and Laughter,

ANNUAL REPORT
Of the Worthy Grand Patron
David Larson
2025-2026

To the Worthy Grand Matron, distinguished guests, members and visitors of Idaho Grand Chapter, Order of the Eastern Star, I welcome everyone to the 2026 Rivers of Love Grand Chapter in Moscow, Idaho.

The path to standing here today has been a long one. I joined The Order of the Eastern Star in 2000 with my wife Vickie Larson. Together we went up through the chairs in Esther Chapter #19 in Port Angeles, Washington. Sometimes side by side in the East. Other times in other chairs by the will of the chapter. In 2012-2013 I was the deputy instructor for the Olympic Peninsula. In 2016 Vickie and I moved to Emmett, Idaho to be closer to family. We joined Electa Chapter #22 in Emmett at that time. 2022-2023 saw me as the Grand Representative to Maine. Sadly Vickie passed away in 2019. She would have been so proud to see me up here today.

I visited three Grand chapters outside of Idaho. Montana and Oregon in June. Washington I visited in July accompanied by a grand fireworks display. I also attended the Job's Daughters Grand Session in Burley, Idaho in June.

During my term I attended twenty two Official Visits. Diana and I started with Meridian #66, traveled back and forth up north, down to the southeast, back north, back home and off again. I was honored to receive twenty one honorary memberships. In addition to these wonderful visits I attended the OES Quad State in Jackson Hole, Wyoming, accompanied by my Grand Escort, W.P. David Larson II. In August I also attended the Idaho OES all Membership Picnic in Nampa. Furthermore we successfully raised \$1,240 for the Grand Chapter General Fund through the wine raffle.

During the year we gained no new chapters. Two chapters merged out of necessity.

Our special projects this year was Guardian Paws Service Dogs and NAMI, The National Alliance on Mental Illness. Both of these projects hold a special place in both of our hearts.

I would like to thank Diana Bush for a wonderful and fantastic year together. I want to thank the Grand Officers and all of their Escorts for the outstanding work they accomplished this year. We will be in good hands in the coming years. I want to thank each and every one of the chapters for their deeply felt welcome and outstanding work through the year. And thank every one of you for making Idaho Eastern Star the great organization it is.

Annual Report
of the Grand Treasurer
Cheri Nichols PM
2025-2026

Well...another year as gone by as Grand Treasurer and I can say that I am getting more comfortable with most of the tasks involved in this position. Of course, there are still a few that still intimidate me, but I will eventually master them or at least grow to have more confidence with them.

WGM Diana Bush followed JPGM Diedre Votaw for example and continued with the General Fund Raffle. As we all know, expenses keep increasing, so any help to reduce the costs of Grand Chapter is greatly appreciated. I am happy to report that she has raised so far \$1036.30.

I still rely on the knowledge and experience from both Grand Treasurer Emeritus Jim Grant and Grand Treasurer Emeritus Liz Hughes for their help. In October, I acquired the Grand Secretary's old computer with the QuickBooks program on it and with the assistance of both Liz and Jim, I am able to write checks from my own computer and maintain a check and balance system with Joan's computer. The Spreadsheet was nice and I appreciate all of Sister Pat's work, but I feel more comfortable with my own QuickBooks. At this time, I am running the two computers as Grand Treasurer, but eventually Liz promised me she will transfer the QuickBooks program to my new computer. In January, Jim traveled to Pocatello to help me with the VPLM payouts. Talk about "the learning curve to be steeper than expected" is an overstatement, but I will, with Jim's knowledge and support, I will master this task, also. At least, now he believes me, when I tell him that things just disappear, because they do. That's okay, we needed a break anyway. The VPLM program is an amazing program and I encourage Chapters to share with their members the information about this program.

This year the financial health of the Grand Chapter was blessed with an increase in the returns on our current investments. As usual, we cannot always count on positive returns, so again, we need to start looking for ways to cut costs.

Thank you WGM Dian Bush and WGP Dave Larsen for allowing me to be a part of your Rivers of Love Family. Thank you Joan for your patience while guiding me in the right direction. Thank you Jim for all your hard work correcting my errors and explaining the many aspects of this position and Pauleen thank you for your patience with the many calls to Jim when I am confused. Finally, thank you Liz for your hard work in setting up Joan's computer and nicely reminding me that I am supposed to send reports out monthly, quarterly and year-end to the Board of Trustees. Without the support of all of you and Ruth Chapter, I would not have survived another year.

Respectfully submitted,

Cheri Nichols
Grand Treasurer.

Board of Trustees
Partial Report
2025-2026

The Board of Trustees consists of the following members: (Term expiring 2026) Jim Grant, PGP/GTE, Chairman; Stacey Wilson, PM; David Smith, PP(elected to replace Merl Mews, PP); (Term expiring 2027) Liz Hughes, PGM/GTE; Pauleen Grant, PM/GSE; Jim Lee, PP; (Term expiring 2028) Harlow Kibbey, PGP/GTE; Karon Cameron, PM; John Chamberlain, PP; Joan Heisch, PGM, Grand Secretary and Cheri Nichols, Grand Treasurer.

The Board met at the close of Grand Chapter in Moscow, ID (Jim and Pauleen Grant participated by phone); August 3rd in Nampa, ID prior to the Grand Chapter picnic and March 7, 2026 at the Scottish Rite Center in Boise prior to Adah #8 OV. Those not able to attend meetings in person either phoned in or participated via ZOOM. During the year we have also communicated by email, when necessary.

Board topics and action items during the year:

1. Review of the 2025 session in Moscow-overall very positive. BWUI staff were very accommodating. Grab and Go lunches were much better than the dinners. Based on feedback, the Grab & Go dinner may be discontinued.
2. Board authorized the purchase and use of a \$300 gift card for GA Chair to use for session expenses, with proper receipts as documentation.
3. 2026 session contract at BWUI-Moscow. A change in meal schedules and set up arrangements will be updated in contract. Fairfield Inn will handle overflow from the BWUI. Board approved to move forward with both facilities once concerns were addressed and the contracts were updated. The BWUI contract was approved and signed August 17, 2025. The Fairfield Inn contract was approved and signed September 15, 2025.
4. 2027 session location. Stacey Wilson, Sharon Short and Mike Sutton met with representatives of Shilo Inn-Idaho Falls, Fort Hall-Pocatello and Red Lion Inn-Pocatello. Jim Grant met with the Burley Inn BW. On March 7th, the Board considered contract proposals from the Red Lion Inn and the Burley Inn BW. The Board approved the contract with the Burley Inn. Jim and Pauleen Grant, Sharon Short and Mike Sutton met with the Burley Inn management team to finalize details of the contract. The contract was signed March 18, 2026.
5. 2028 session location. Liz Hughes and Joan looked into the BW CDA Inn and BWUI. As of this time, the Board has a contract proposal from the BWUI-Moscow for consideration.
6. Grand Chapter currently has \$2,267.76 held in a History Book savings account. Discussion was had as to what to do with it. Jennifer Marshall, GC, stated that she plans to do an updated GC history book during her year, and the money could be used for that. The Board concurred.
7. The GC sound system is in need of several upgrades, i.e., headsets, wireless mics, 2 speakers and miscellaneous cables. There is money in the current 2025-2026 budget for some items. Arlen Marshall will be asked to prioritize items for the next 2 years to be included in new budgets.
8. 2026-2027 budget was discussed at the March 7th meeting. It was noted that American Funds had paid out significant capital gains and special dividends in December. The General Fund Endowment paid out \$8,711.30 in capital gains and

\$1,463.40 in special dividends. The General Fund Reserve paid out \$4,250.57 in capital gains and \$740.96 in special dividends. Those monies went directly into the General Fund checking account as income, which helped our cash flow for this year. The proposed budget has been printed and included in the information sent out by the Grand Secretary.

The Board continues to discuss and research ways to improve Grand Chapter operations and sessions to benefit the Order. Session locations continue to be a challenge as to timing and affordability for our members.

Sisters and Brothers, I have spent many years serving on the Board of Trustees as a Past Patron, Past Grand Patron and Grand Treasurer. It has been enjoyable, sometimes challenging and also rewarding, but I feel it is time for me to step aside and participate in other ways on behalf of this Grand Chapter. I want to thank the members of the Board for your patience, friendship and hard work this past year. I also appreciate your dedication and concern for the well-being and the continued future of our Order.

Fraternally,
Jim Grant, Chairman
2025-2026 Board of Trustees

Article VII Article Name Powers and Duties of Grand Officers

Section 2 Section Name Worthy Grand Matron

Paragraph A Number 6

Now reads: (write verbatim what is in the Code)

6. Turn over to the incoming Worthy Grand Matron the following items: all rituals, the Idaho Code and Digest, the General Grand Chapter Constitution (Red Book), Grand Representatives Record book, Worthy Grand Matron Seals, and the Worthy Grand Matron pin.

Delete: Grand Representatives Record book

Would then read:

6. Turn over to the incoming Worthy Grand Matron the following items: all rituals, the Idaho Code and Digest, the General Grand Chapter Constitution (Red Book), Worthy Grand Matron Seals, and the Worthy Grand Matron pin.

Rationale: The condition of the book is rapidly deteriorating. To preserve the integrity of the historical Grand Representative's Record book, the data has been digitized and the book is protected in the Grand Secretary's office. This change is to reflect the actual items turned over to the newly installed Worthy Grand Matron.

ARTICLE I CHARTERED CHAPTERS

Section 1. The existence and authority of all Subordinate Chapters in this Grand Jurisdiction shall be evidenced by a charter or dispensation granted by this Grand Chapter or a dispensation granted by the Worthy Grand Patron, attested to by the Grand Secretary and authenticated by the seal of the Grand Chapter of Idaho.

A. Every chartered Chapter shall choose a name and within thirty (30) days from the date of its granted charter, procure a suitable seal, bearing the name, number, and location of the chapter, and by which all its documents shall be authenticated.

B. Each constituted chapter shall have a photo static copy of its charter filed with the Grand Secretary.

C. There shall be eighteen (18) officers and none can be added or subtracted from this number.

D. Every chapter is entitled to have four (4) copies of the secret work in its possession. The secret work must not be written or copied as specified in the Ritual. One or more of the four copies should be given to the prompter(s) to use for prompting during the ritualistic work.

E. Every Chapter shall file the annual statistical report and pay the per capita tax at the required time. Any Chapter failing to submit the report shall not be allowed representation in the Grand Chapter. A Chapter failing to do so for two (2) consecutive years shall forfeit its Charter, and its effects shall revert to the Grand Chapter.

Section 2. The powers of a Subordinate Chapter are granted by a Charter or Dispensation, by the Ritual of the Order, the Constitution, By-Laws, and Rules of the Grand Chapter (Idaho Code and Digest) and by a code of By-Laws framed by itself, which must be consistent with the laws of Grand Chapter. Uniform By-Laws to establish minimum requirements may be purchased from the Grand Secretary.

A. Legislation enacted at a Grand Chapter session, which requires a change in the By-Laws of Subordinate Chapters shall take effect on the date of adoption by the Grand Chapter.

B. Changes made in the By-Laws of a Chapter must be presented in writing at a stated meeting, signed by two members of the Chapter, read and held over until the next stated meeting. After the second reading a two-thirds (2/3) vote is required for adoption. Amendments do not become effective until approved by the Worthy Grand Matron.

Section 3. A member in good standing is defined as one whose dues are current, and against whom no charges are preferred or pending.

Section 4. Each Chapter shall have power of discipline over its members, but all action shall be subject to appeal to the Grand Chapter. In the event disciplinary action of the Worthy Matron or Worthy Patron is necessary, an appeal shall be made to the Worthy Grand Matron.

A. Members are subject to reprimand, suspension, or expulsion contingent on trial action. (see Penal Code).

B. Non-affiliated members shall be subject to the same discipline as the members of the chapter within whose jurisdiction they reside.

C. A member may be deprived of membership for non-payment of dues. The suspension, expulsion, or demission of a brother from a Lodge of Master Masons deprives him of all rights and privileges of membership in this Order until satisfactory evidence of his reinstatement by said Lodge has been presented to the Worthy Patron.

Section 5. Ballot upon candidates must be without debate and kept secret. The name of a rejected candidate shall not be reported to any person not a member of the Order. No one shall plead ignorance to this rule and any violation shall be subject to trial, which may result in reprimand, suspension, or expulsion from the Order. (See Article XX, Section 2, Book of Instructions)

Section 6. The jurisdiction of a chapter extends in every direction to the geographical center measured by air line, between it and adjacent chapters but not beyond the jurisdiction of the Grand Chapter. In matters concerning the eligibility of an individual for membership in a chapter, statewide concurrent jurisdiction is established among the constituent chapters of the Grand Chapter of Idaho.

Section 7. Revenue and expense of Subordinate Chapters shall be set forth in their By-Laws.

Section 8. All officers should have in their possession a current copy of:

A. The Ritual of the Order

B. The Idaho Code and Digest

C. The By-Laws of the Chapter

Section 9. Each member shall be provided with a copy of the Chapter By-Laws. Members may purchase a Ritual and the Idaho Code and Digest.

Section 10. All business shall be conducted in accordance with Robert's Rules of Order Revised, except as may be specifically designated in this Code.

Section 11. A Chapter may endorse Job's Daughters International and/or the International Order of Rainbow for Girls.

Section 12. Auxiliary Organizations are no part of a Chapter; therefore, the funds are not part of the Chapter funds. If the funds of an Auxiliary Organization are donated to a Chapter they shall be handled by the Chapter in the regular manner.

Section 10. Auxiliary organizations are not part of a chapter; therefore, the funds are not part of the chapter funds. If the funds of an auxiliary organization are donated to a chapter they shall be handled by the chapter in the regular manner.

Rationale:

- *Modernized wording and removed references to printed, photostatic, and newspaper and, as a result, changed some of the sentence structures to align. Removed gender references and standardize wording used throughout other Articles within the Code and Digest.*
- *Added "Uniform" in front of by-laws when referencing chapter by-laws and added "special" in front of dispensations. Changed per capita "tax" to per "capita assessment". Removed several references and renumbered sequences as a result of the various changes.*
- *Removed several obsolete and unnecessary paragraphs. The definition of chapter jurisdictions was removed because plural memberships allow members to belong to numerous chapters throughout the state. Also removed the statement that disciplinary actions apply to non-affiliated members because it didn't make sense.*
- *Added the requirement that General Grand Chapter legislation changes be incorporated into chapter uniform by-laws, as well as Grand Chapter legislation.*

Rationale:

Removed Sunday meeting limitations to give each chapter the option to hold meetings on Sunday in order to accommodate the needs of the chapter and allow more members to attend. Older members no longer drive at night and younger members with children may have obligations during week nights. This also allows consideration for members of religions which have regular worship services on Fridays or Saturdays.

Rationale:

- *Added “Uniform” in front of by-laws when referencing chapter by-laws.*
- *Changed the number of long form opening required per term. As it was, those chapters meeting once per month were required to open in long form seven (7) times, yet those chapters meeting twice a month were required to open in long form fifteen (15) times. The purpose of the official visit is to observe the ritualistic or other work of the Order at the discretion of the Worthy Grand Matron. If initiation is to be observed and there is no candidate, the initiation ceremony may be exemplified.

Rationale:

- Changed the ritualistic work requirements. Anything in the Ritual could be considered ritualistic. However, for years, the focus of the Worthy Grand Matron visits has been on balloting and initiation, which does not include all the other ritualistic work. The Ritual also contains Opening and Closing, as well as Installation and the funeral ceremony.*
- This change will allow flexibility and give the Worthy Grand Matron the ability to decide what she feels needs to be observed at each chapter based on their needs.*

ARTICLE I CHARTERED CHAPTERS

Section 15. Attendance by children under the age of 1 are permitted at meetings and rehearsals. Children over the age of 1 are permitted to attend all meetings and rehearsals by a vote of the chapter.

Rationale:

Changed wording to allow chapter to individually decide if children can attend chapter meetings and practices. No one knows the needs of the chapter and its members better than the chapter itself. Members, including parents, grandparents, and guardians, with children sometimes have difficulty attending meetings and practices. Each child is different and should be considered individually and left to the discretion of the chapter.

Section 1. The Associate Matron, Associate Patron, Conductress, Associate Conductress and Marshal, under the direction of the Worthy Matron, have charge of the paraphernalia and prepare the Chapter room. They should arrange the Altar, chairs and pedestals and see that the Charter, Flag, Bible, Emblems, and ballot box (if needed) are in proper position.

If degree work is to be given, they should see that small Bibles, flowers or ribbons are in proper position and the Signet is ready for use.

A. Small Bibles for use in initiation may be placed on the Altar, or on Ruth's or Martha's pedestals.

B. Flowers or ribbons, if used, are placed at the Marshal's station or at the Star Point Pedestals.

Section 2. The Ritual provides instruction, with various options, for setting up a Chapter room correctly. The following specific instructions set forth by this Grand Chapter clarify the placement of the Chapter furniture and paraphernalia.

A. The five chairs of our central star face the East. Chairs of Adah and Electa are not as far South and North as the chairs of Ruth and Martha, so they form a perfect star or pentagon around the Altar. Preferably, pedestals should be placed at the side of, and slightly in front of the Star Point chairs. Pedestal covers may be used. Electrically lighted pedestals are permitted.

B. The Bible is placed on the center of the Altar with the bound edge to the North and the front edge to the South. If the Altar is large, place the Bible nearer the West edge for the convenience of the Conductress. For the ceremony of initiation, place the Bible to allow space for the Candidate's hands. Flowers, ribbons, or any other objects must never be placed on the Bible during an addenda.

C. The Star Point emblems are placed in the center of the pedestals.

1. Adah -- The sword, properly draped with the veil, should be placed with the point toward the Altar.

2. Ruth -- the sheaf should be placed upright if standing type and tied with a bow, the bow facing the Altar or if a spray type, the grain part away from the Altar.

3. Esther -- the scepter is united with the crown. It is placed under and through the crown, the head of the scepter resting on the crown, pointing to the Northeast. The front of the crown faces the Altar.

4. Martha -- the broken part of the column is placed facing the Altar.

5. Electa -- the cup stands erect on its base. If the cup is engraved, the engraving should face the East. If the cup has handles they should be placed with handles North and South.

D. The signet is placed in the Northeast corner of the Chapter room.

E. The Officer badges should be in the preparation or service room. The badge must be suspended by a ribbon or cord having the five colors of the Order, except Star Points, which may be the solid color cord or ribbon of that respective station.

F. The official Register for members and visitors should be placed at the entrance to the Chapter room or in the service room.

Section 7-8

Now reads: (write verbatim what is in the Code)**Section 7.** The Conductress and the Associate Conductress duties and powers are described in the Rules and Regulations, Article VI, Sections 8 and 9.

A. They enter and leave their stations on the East side.

B. When the Conductress is directed to attend at the Altar during the opening and closing ceremonies, she advances to the marching line, then West to a point two steps or more (not more than four) beyond Esther's chair which permits her to make an acute angle and advance directly to the Altar. The Conductress does not assume the reverent attitude when entering the labyrinth, but does so after stepping back into the circle of Officers. She makes a slight bow to the Worthy Matron and proceeds in opening the Bible.

The Bible should be opened with three distinct movements. The Conductress should take the Bible and stand it on the back with a hand on each side; then opening it at the second chapter of Saint Matthew, laying down the right side, signifying the future; then laying down the left side, signifying the past; the open Bible signifying the present; then drawing both hands away into the salutation sign, being careful not to interrupt this movement to arrange the Bible marker if it becomes disarranged. The salutation sign should be held long enough for these words to pass through the mind (IHSHSITEAACTWH). The Bible marker may be adjusted after the Salutation sign is given.

With face to the Altar, the Conductress steps back in the circle of officers midway between Ruth and Esther where she remains until after the Warder reports to the Worthy Matron. The Conductress should carefully observe the arc of the circle as it is incorrect to form a straight line with Esther in a central position. After the Warder reports to the Worthy Matron, the Conductress turns southwest, retracing her steps to the marching line, then East to her station.

In closing the Bible, the Conductress approaches the Altar in the same manner as opening the Bible. After giving the salutation sign she closes the Bible by taking up the left side first, thus shutting out the present, leaving the future; then bringing up the right side, shutting out the future; holding the Bible closed with both hands for a moment, meaning the past; then places the Bible in the center of the Altar, makes a slight bow to the Worthy Matron and steps back into the circle of officers where she remains until the Chapter is closed.

C. When the Conductress is directed to open or close the Bible informally she shall follow the same line of march as for formal opening and closing, but does not bow, use three motions, or give the Salutation Sign to the Bible.

D. The Conductress has full charge of the Bible at all times.

E. The Associate Conductress shall inform the candidates, before entering the Chapter room, that they will be given a small Bible to hold at the Altar; also that they should not wear hats, gloves, carry purses, or other articles in their hands. She should answer necessary questions and instruct the candidates to do as directed during the ceremony of initiation.

Section 8. The Chaplain when going to the Altar for prayer, on any occasion, shall advance West on the marching line to a point two steps or more (not more than four) beyond Esther's chair which permits her/him to make an acute angle and advance directly to the Altar. Upon reaching the Altar the Chaplain stands until the music ceases, and then should kneel (if physical condition permits) to offer the prayer.

The hands are not to rest on the Bible, but may rest on the edge of the Altar to assist in kneeling or rising. No arms or elbows are permitted on the Altar.

The Chaplain does not assume the Reverent Attitude when entering or leaving the Labyrinth, and no object should be carried to the Altar as the hands should be free to give the prayer. After completing the prayer, with face toward the Altar, she/he rises and steps back into the circle of officers, midway between Esther and Martha, and assumes the Reverent Attitude. Care should be taken to perfect the circular pattern. It is incorrect to form a straight line with Esther in a central position. The positions of the Star point officers, Chaplain and Conductress form an arc of a circle.

After the Warder reports to the Worthy Matron, the Chaplain turns northwest, retracing her/his steps to the marching line, then marches east to the Chaplain station.

The Chaplain assists in the draping of the altar.

The Warder must always give the proper raps and have permission of the presiding officer before opening the door when the Chapter is in session. The Warder must not interrupt business by advising the Worthy Matron of raps at the door. The Warder should never give an alarm or answer one without being directed to do so by the presiding officer, except in case of emergency.

Worthy Matron: "_____ **Warder, you will ascertain the cause of the alarm.**"

Section 1, 2, 3, and 4

Now reads: (write verbatim what is in the Code)

Section 1. The Organist assumes her/his station and is ready to provide music when the officers enter. The Associate Conductress escorts the Worthy Patron to the East and then goes to her station. The Conductress may escort the Associate Patron to his station at the same time, then retires to her line of officers.

When the Associate Conductress is given the order by the Worthy Patron, she rises, steps forward from the East side of her station, turns and marches West directly to where the officers are in formation, if all officers enter through the same door, and gives the invitation. If the officers enter through two doors she will give the invitation from a position back of Esther's station, then take her place with the North line of officers.

Officers should step out with the left foot on the first beat of the music. The Ritual gives instruction for the final formation (or box) of the march. As the Bible is not open at this time there is no objection to passing between the Altar and the East.

The Worthy Patron steps forward on the North side of the pedestal to meet the Worthy Matron, extends his right hand and assists her to her station, and presents her the gavel.

When the Warder is instructed to secure the doors, the Warder must check all doors before proceeding to the anteroom door to give directions to the Sentinel. The Warder closes the door without raps and makes her/his report to the Worthy Matron.

Section 2. The Worthy Matron instructs the Associate Matron to prove the Chapter. If the Associate Matron, by her own knowledge, can vouch for all present she does so immediately. If there are members and visitors present for whom she cannot vouch, she directs the Conductress and Associate Conductress to ascertain and report.

The Conductress and Associate Conductress rise when addressed by the Associate Matron and remain standing until she has finished speaking, then march east, keeping opposite each other and turning corners at the same time, meeting at a position in front of the Worthy Matron's station. They bow to each other, turn toward the East and beginning with the members in the East, the Conductress on the South, the Associate Conductress on the North, pass slowly to the West, carefully observing each person. If either officer finds a visitor for whom she cannot vouch she will bow to the visitor and say: "**Please rise**" and continues according to the Ritual. When the Conductress and Associate Conductress have completed proving the Chapter, they will meet in the West behind Esther's station, where the Associate Conductress will address the Conductress; they both turn toward the Associate Matron (turning toward each other as they face West) and the Conductress addresses the Associate Matron, when the Associate Matron addresses the Worthy Matron, both officers (turning toward each other) promptly face the East. When the Worthy Matron responds, the Conductresses immediately return to their stations and the Associate Matron, Conductress and Associate Conductress are seated.

For the official visitation or meetings where many guests are present, the Conductress and Associate Conductress will approach the East in the regular manner, bow to each other, turn toward the East the Conductress taking a position on the South side of the Marshal's station and the Associate Conductress at a position on the North side of the Chaplain's station, and then face West.

The Associate Matron will say: "**As I call the name and number of your Chapter, you will please rise and remain standing until vouched for and then be seated**". The Associate Matron starts with the smallest Chapter number and proceeds, except when the Worthy Grand Matron and/or Worthy Grand Patron are present their Chapters are called first. Each Worthy Matron should vouch for her own Chapter members whenever possible. When all Chapters have been vouched for, the Associate Matron will ask all visitors not previously vouched for to stand. If visitors rise she will secure avouchment for them. Then the Associate Matron will ask the members of her Chapter to stand. (Officers do not stand)

The Conductress and Associate Conductress will then proceed slowly west, carefully observing each person. If either officer finds a person for whom she cannot vouch she will bow and ask her/him to rise, and report to the Associate Matron according to the Ritual. When the Conductress and Associate Conductress have completed proving the Chapter they will meet behind Esther's station and proceed according to the instructions for proving the chapter.

Members holding ++plural membership should stand only once for avouchment. They may select the Chapter in which they wish to be recognized.

There are only three methods of vouching for a visitor:

- A. Having ever sat in Chapter with a visitor who exhibits a current receipt for dues.
- B. Having sat in Chapter with a visitor during the current calendar year.
- C. Being a member of the Examining Committee when a visitor passes a satisfactory examination.

Section 3. When directed by the Worthy Matron, the Conductress proceeds to the Altar, makes a slight bow to the Worthy Matron and opens the Bible. (Refer to Book of Instruction, Article IV, Section 7, C) The Worthy Matron does not respond to the salutation sign when given by the Conductress in opening or closing the Bible, as the sign is made to the open Bible.

Section 4. After the opening ceremony begins, members and visitors are not to be admitted until the Flag ceremony is completed and the Chapter is seated. (Refer to the Ritual and to the Book of Instruction, Article IV, Section 12)

Now reads: (write verbatim what is in the Code)

The American Flag shall be displayed during all sessions of Subordinate Chapters.

Each Chapter may choose its own ceremony for presenting the Flag. The Marshal must present the Flag, but any member designated by the Worthy Matron may carry it. The Flag should be carried with the right hand over the heart and the left hand should grasp the staff just below the left hip. When the Marshal is escorting the Flag, it should be to her/his right and when the Flag is being placed in the East, she/he should stand facing southeast. The officer or member (we have no officer known as Flag Bearer or Color Bearer) carrying the Flag should not speak while making the presentation. The Flag should not be dipped to any person or thing, nor should it touch anything beneath it. The Flag should never be carried flat or horizontally, but always aloft and free.

Before the Chapter is open the Flag may be placed in the West at the left of the Associate Patron, or in the East. If the Flag is placed in the East, it remains there; if placed in the West the Marshal's line of march shall be to proceed West along the South marching line, turn North along the West line to a point directly in front of the Flag. The Flag bearer shall carry the Flag South along the West line and when reaching the Southwest corner make an acute angle and advance directly to the Altar. The Flag, when placed in the East, should stand on the same level with, and to the right of, the Worthy Matron. All other flags should be on the left. The flag of the United States should stand higher than any other flag.

The Worthy Matron may invite the Worthy Patron to conduct the presentation of the Flag, but does not hand him the gavel. The Worthy Patron will say: "Sister/Brother Marshal, you will present the Flag of our Country." If the pledge is to be given at the Altar, the Worthy Patron will say, "Sister and Brothers, you will join me in the Pledge of Allegiance to the Flag of the United States of America." After the Flag has been grounded in the East, he will invite everyone to join him in singing the Flag Song.

If the pledge is to be given after the Flag is grounded in the East, the Worthy Patron shall say:

"Sisters and Brothers, you will join me in the Pledge of Allegiance to the Flag of the United States of America, after which we will join in singing our Flag Song." When the pledge is given after the Flag is grounded in the East, the salute is held until the Flag is grounded, then resumed when the pledge is given.

When the Flag is in motion all United States Citizens should face the Flag and salute. (The salute is rendered by standing at attention with the right hand over the heart.) The Flag is considered to be in motion from the time the presentation starts until it is placed in the East to the right of the Worthy Matron and the salute should be held during the entire presentation. The salute shall be retained through the National Anthem, when played or sung. The Pledge of Allegiance to the Flag is:

"I pledge allegiance to the Flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all".

When the Marshal is escorting the flag, it should be to their right and when the flag is being placed in the East, they should stand facing east. The officer or member carrying the flag should not speak while making the presentation. The flag should not be dipped to any person or thing, nor should it touch anything beneath it. The flag should never be carried flat or horizontally, but always aloft and free.

Before the chapter is open, the flag may be placed in the west at the left of the Associate Patron, or in the East. If the flag is placed in the East, it remains there. If placed in the west, the Marshal's line of march shall be to proceed west along the south marching line, turn north along the west line to a point directly in front of the flag. The flag bearer shall carry the flag along the west line toward the southwest corner and when reaching the corner make an acute angle, entering the labyrinth between Ruth and Esther and advance directly to the Altar.

The Flag of the United States, when placed in the East, should stand on the same level with, and to the right of, the Worthy Matron. All other national flags should be to the south of the Flag of the United States. The Flag of the United States should stand higher than any other flag. All other flags (Christian, OES, chapter, etc) should be on the left of the Worthy Patron.

The Worthy Matron may invite the Worthy Patron to conduct the presentation of the flag but does not hand him the gavel. The Worthy Patron will say: "**Sister/Brother Marshal, you will present the Flag of the United States of America.**" If the pledge is to be given at the Altar, the Worthy Patron will say: "**Sister and Brothers, you will join me in the Pledge of Allegiance to the Flag of the United States of America.**" After the flag has been grounded in the East, he will invite everyone to join him in singing the flag song.

If the pledge is to be given after the flag is grounded in the East, the Worthy Patron shall say: "**Sisters and Brothers, you will join me in the Pledge of Allegiance to the Flag of the United States of America, after which we will join in singing our Flag Song.**" When the pledge is given after the flag is grounded in the East, the salute is held until after the pledge is given.

When the flag is in motion, all United States citizens should face the flag and salute. The salute is rendered by

standing at attention with the right hand over the heart. The flag is considered to be in motion from the time the presentation starts until it is placed in the East to the right of the Worthy Matron, and the salute should be held during the entire presentation. The salute shall be retained through the National Anthem, when played or sung. The Pledge of Allegiance to the flag is:

**"I pledge allegiance to the Flag of the United States of America and to the republic for which it stands,
one nation under God, indivisible, with liberty and justice for all".**

(Please do not pause after "Nation"-- there is no comma)

Following the presentation of the Flag of the United States, tributes may be given to the Canadian Flag, the Idaho Flag, or other appropriate flags.

- Added elections as the first order of business

Would then read

Section 2. The nature of this order of business will be determined by the chapter and must be conducted at the discretion of the Worthy Matron. All communications requiring action by the chapter are disposed of under this order of business. Members should vote upon all motions.

Section 3. The first order of business is elections. The Proficiency Test, if given in the chapter room, is under this order of business.

Section 4. Only one person should occupy the floor at a time. A member may rise to ask a question or answer a question while another has the floor, but when someone is speaking, reading or reporting, all should be seated. Anyone who stands while another has the floor is out of order and is not entitled to recognition.

The Presiding Officer should follow the parliamentary rules and recognize the one who rises first. A member may speak twice on the same question, provided no one else desires to do so at the time.

Section 5. A majority vote means more than half, or one vote over one-half ($\frac{1}{2}$) of those voting, provided a quorum is present. Two-thirds ($\frac{2}{3}$) vote means two-thirds ($\frac{2}{3}$) of the number voting. A vote by show of hands may be taken unless a standing vote or written ballot is requested.

The voting sign of the Order is the up-lifted right hand. There are two times when a Presiding Officer may vote: when a vote is by ballot or when it is necessary to decide a tie.

Section 6. The procedure for dealing with new business introduced by a motion or a resolution is as follows:

- A. Obtain the floor (Member rises and addresses the Presiding Officer)
- B. Make the motion ("**I move that**")
- C. Second the motion (A member, without rising or addressing the chair says: "**I second the motion.**" If the motion is not seconded, the Presiding Officer may say: "**There being no second, the motion is not before the chapter.**")
- D. The motion is stated by the Presiding Officer ("**It is moved and seconded that**").
- E. Discussion - Speakers must:
 1. Be entitled to the floor

2. Address their remarks to the chair
 3. Confine discussion to the question pending
 4. Be courteous and avoid all personalities
- F. The Presiding Officer calls for the vote by saying: "**All of those in favor of the motion as stated will vote by the voting sign of the Order**". (Pause) "**Those opposed will vote by the same sign**". If the result of the vote is doubtful, the Presiding Officer calls for a standing vote or written ballot -- first for the affirmative, then the negative.
- G. The Presiding Officer will state: "**The motion is passed/is lost.**" When the vote is a tie, the motion is lost, unless the Presiding Officer votes in the affirmative to pass the motion.
